Other Fees and Charges

English as an Additional Language Support (EAL)

\$1,750 per Semester

English language tuition may be deemed necessary, in discussion with parents/guardians and teaching staff. Tuition will be offered onsite, during the school day by a specialist English Second Language teacher.

External Courses

\$ Variable per Semester

In years 11 and 12 ISWA offers students the choice of courses outside of the standard internal offering. As these courses are provided by external institutions the additional costs incurred by the school in providing these courses will be recharged to the parents of enrolled students.

Experiential Learning and Special Events

Some excursions, incursions and special events are non-compulsory and charged on a cost recovery basis e.g. International Service Trip, Student Exchange Program, Graduation Dinner, School Ball.

Notice of Withdrawal

Advance notice in writing, of **one full term** as per the school calendar, must be given prior to removal of a student. Failure to give such notice will result in one term of the student's annual tuition fee being charged to the student's account.

Tuition Inclusions

Computer Device

A computer device is provided to students from Year 4-12. Year 4-5 students are allocated iPads, and Year 6-12 students are allocated HP laptops.

The device can be used at school and home, and students are responsible for the care of this device.

A damaged, lost, or stolen device will incur a replacement fee equal to the cost to the school.

The replacement cost for laptops is \$1,770 and for iPads \$700.

As of 2024-25, Year 11 and 12 students will have the option of bringing their own laptop. Students who opt in to the Bring Your Own Device (BYOD) program will be offered a \$500 discount on the annual tuition fee. Year 11 and 12 parents/guardians will be given the opportunity to opt in before tuition fee invoices are issued for Semester One.
