## Other Fees and Charges

### *English as an Additional Language Support (EAL)*

#### **\$1,750 per Semester**

English language tuition may be deemed necessary, in discussion with parents/guardians and teaching staff. Tuition will be offered onsite, during the school day by a specialist English Second Language teacher.

### *External Courses*

#### **\$ Variable per Semester**

In years 11 and 12 ISWA offers students the choice of courses outside of the standard internal offering. As these courses are provided by external institutions the additional costs incurred by the school in providing these courses will be recharged to the parents of enrolled students.

### *Experiential Learning and Special Events*

Some excursions, incursions and special events are non-compulsory and charged on a cost recovery basis e.g. student exchange program; school ball; international sporting, exchange and bi-annual class trips.

### *Notice of Withdrawal*

Advance notice in writing, of [one full term](#) as per the school calendar, must be given prior to removal of a student. Failure to give such notice will result in one term of the student's annual tuition fee being charged to the student's account.

## Tuition Inclusions

### *Computer Device*

A computer device is provided to students from Year 4-12. Year 4-5 students are allocated iPads, and Year 6-12 students are allocated laptops.

The device can be used at school and home, and students are responsible for the care of this device.

A damaged, lost, or stolen device will incur a replacement fee. The replacement fee for iPads is \$700.

The replacement fee for laptops is \$300 for the first replacement, \$600 for the second replacement and \$1,700 for the third and subsequent replacements.

### *Insurance*

Comprehensive insurance for students is provided by ISWA whilst they are under our supervision.

Non-compulsory activities are scheduled before and after school on weekdays and presented by classroom teachers or externally sourced specialists. Additional fees may incur for external specialists.

Day excursions, incursions, carnivals, and school camps form an integral part of our curriculum. They are compulsory participation, and many are included in the tuition fee.

### *Yearbook*

A copy of the annual Yearbook is gifted to each family.

## Available Discounts

### *Sibling Discount*

Discount of 5% on the tuition fee for a second enrolled sibling.
